9 counsel, at her own expense; the right to confront and cross-examine the witnesses against her;
10 the right to present evidence and to testify on her own behalf; the right to the issuance of
11 subpoenas to compel the attendance of witnesses and the production of documents; the right to

16 7. Respondent agrees that based on the action taken by the Arizona Medical
17 Board, cause exists to discipline her California physician and surgeon's certificate pursuant to
18 Business and Professions Code sections 141 and 2305. Respondent's Arizona license was

8 this proceeding, or any other proceedings in which the Medical Board or other professional
9 licensing agency is involved, and shall not be admissible in any other criminal or civil
10 proceeding.

11 11. Respondent fully understands and agrees that if she ever files an

15 12. Respondent understands that she may not petition for reinstatement as a
16 physician and surgeon for a period of three (3) years from the effective date of her surrender.

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of license number 20156 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-05-0206A after receiving an anonymous complaint that Demerol and the log accounting for Respondent's office supply of Demerol were missing from her office.

4. In response to an inquiry from the Board regarding drugs missing from her office, Respondent did not disclose her use of Demerol. Respondent eventually admitted to having a substance abuse problem and to using excess Demerol from her office over a three or four month time period. Respondent also admitted to checking herself into the Betty Ford Center ("Betty Ford") in early April 2005 without notifying the Board of her relapse. Respondent also admitted to voluntarily preemptively seeking treatment at another treatment facility in 2002 when she recognized that her drinking was going to become problematic.

5. Respondent participated in the Board's Monitored Aftercare Program ("MAP") under a Stipulated Rehabilitation Agreement ("SRA") from 1992 through 1995. On May 23, 2005 Respondent signed a request to inactivate her license with cause as required by law because her SRA for substance abuse terminated in 1995 and she had relapsed.

6. Respondent admitted to employing an unlicensed physician assistant ("PA") to practice in her office. Respondent stated she hired the PA to work in her office before she was in treatment with a plan that PA would only observe until licensure was issued to PA. However, Respondent entered treatment prior to PA beginning her employment with

1 Respondent. Respondent stated she was unaware that PA was seeing patients in her
2 absence. PA saw 163 patients prior to being ordered to cease and desist seeing patients
3 by the Arizona Attorney General's Office. Respondent stated she provided for supervision
4 of her practice by three physicians while she was in treatment.

5 7. Respondent failed to disclose her treatment for alcohol dependence on her
6 2002 license renewal application and her treatment at a treatment facility on her 2004
7 license renewal application.

8 8. Respondent was discharged from Betty Ford on July 6, 2005.

9 9. On July 15, 2005 Respondent met with the Board's contracted addiction
10 medicine specialist ("Specialist") who recommended that she be monitored in MAP while
11 her underlying investigation was pending.

12 10. On July 19, 2005 Respondent agreed to participate in MAP on an interim
13 basis.

14 11. Specialist recommends Respondent's license be reactivated and she be
15 placed in MAP under a final Board Order.

16 **CONCLUSIONS OF LAW**

17 1. The Board possesses jurisdiction over the subject matter hereof and over
18 Respondent.

19 2. The conduct and circumstances described above constitute unprofessional
20 conduct pursuant to A.R.S. § 32-1401(27)(f) ("[h]abitual intemperance in the use of alcohol
21 or habitual substance abuse.").

22 3. The conduct and circumstances described above constitute unprofessional
23 conduct pursuant to A.R.S. § 32-1401(27)(cc) ("[m]aintaining a professional connection
24 with or lending one's name to enhance or continue the activities of an illegal practitioner of
25 medicine.").

4. The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(jj) ("[k]nowingly making a false or misleading statement to the board or on a form required by the board or in a written correspondence, including attachments, with the board.").

ORDER

IT IS HEREBY ORDERED THAT:

1. Respondent's license is reactivated.

2. Respondent's license for the practice of allopathic medicine in the State of Arizona is revoked. The revocation, however, is stayed and Respondent is placed on probation for five years with the following terms and conditions. Upon any violation of a probationary term, after giving notice and an opportunity to be heard, the Board shall terminate the probation and revoke Respondent's license. If an investigation involving an alleged violation of probation is initiated, but not resolved prior to the termination of the probation, the Board has continuing jurisdiction and the period of probation shall extend until the matter is final.

a. Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all conditions of probation. The declarations shall be submitted on or before the 15th of March, June, September and December of each year, beginning on or before March 15, 2006.

b. Respondent shall participate in the Board's Monitored Aftercare Program pursuant to the following:

1. Participation. Respondent shall promptly enroll in and participate in the Monitored Aftercare Program ("MAP") for the treatment and rehabilitation of physicians who are impaired by alcohol or drug abuse. Respondent shall remain in MAP for five

1 years from the effective date of this Order. Respondent's participation in MAP may be
2 unilaterally terminated with or without cause at the Board's discretion at any time after the
3 issuance of this Order.

4 **2. Group Therapy.** Respondent shall attend MAP's group therapy sessions
5 one time per week for the duration of this Order, unless excused by the MAP group
6 therapist for good cause such as illness or vacation. Respondent shall instruct the MAP
7 group therapist to release to Board Staff, upon request, all records relating to
8 Respondent's treatment, and to submit monthly reports to Board Staff regarding
9 attendance and progress. The reports shall be submitted on or before the 10th day of
10 each month.

11 **3. 12 Step or Self-Help Group Meetings.** Respondent shall attend ninety 12-
12 step meetings or other self-help group meetings appropriate for substance abuse and
13 approved by Board Staff, for a period of ninety days beginning not later than either (a) the
14 first day following Respondent's discharge from chemical dependency treatment or (b) the
15 date of this Order.

16 **4.** Following completion of the ninety meetings in ninety days, Respondent shall
17 participate in a 12-step recovery program or other self-help program appropriate for
18 substance abuse as recommended by the MAP group therapist and approved by Board
19 Staff. Respondent shall attend a minimum of three 12-step or other self-help program
20 meetings per week.

21 **5. Board-Staff Approved Primary Care Physician.** Respondent shall
22 promptly obtain a primary care physician and shall submit the name of the physician to
23 Board Staff in writing for approval. The Board-approved primary care physician ("PCP")
24 shall be in charge of providing and coordinating Respondent's medical care and treatment.
25 Except in an *Emergency*, Respondent shall obtain medical care and treatment only from

1 the PCP and from health care providers to whom the PCP refers Respondent.
2 Respondent shall request that the PCP document all referrals in the medical record.
3 Respondent shall promptly inform the PCP of Respondent's rehabilitation efforts and
4 provide a copy of this Order the PCP. Respondent shall also inform all other health care
5 providers who provide medical care or treatment that Respondent is participating in MAP.

6 a. "Emergency" means a serious accident or sudden illness that, if not
7 treated immediately, may result in a long-term medical problem or loss of life.

8 6. **Medication.** Except in an *Emergency*, Respondent shall take no *Medication*
9 unless the PCP or other health care provider to whom the PCP refers Respondent
10 prescribes the *Medication*. Respondent shall not self-prescribe any *Medication*.

11 a. "Medication" means a prescription-only drug, controlled substance,
12 and over-the counter preparation, other than plain aspirin, plain ibuprofen,
13 and plain acetaminophen.

14 7. If a controlled substance is prescribed, dispensed, or is administered to
15 Respondent by any person other than PCP, Respondent shall notify the PCP in writing
16 within 48 hours. The notification shall contain all information required for the medication
17 log entry specified in paragraph 8. Respondent shall request that the notification be made
18 a part of the medical record. This paragraph does not authorize Respondent to take any
19 *Medication* other than in accordance with paragraph 6.

20 8. **Medication Log.** Respondent shall maintain a current legible log of all
21 *Medication* taken by or administered to Respondent, and shall make the log available to
22 the Board Staff upon request. For *Medication* (other than controlled substances) taken on
23 an on-going basis, Respondent may comply with this paragraph by logging the first and
24 last administration of the *Medication* and all changes in dosage or frequency. The log, at
25 a minimum, shall include the following:

- 1 a. Name and dosage of *Medication* taken or administered;
- 2 b. Date taken or administered;
- 3 c. Name of prescribing or administering physician;
- 4 d. Reason *Medication* was prescribed or administered.

5 This paragraph does not authorize Respondent to take any *Medication* other than in
6 accordance with paragraph 6.

7 9. **No Alcohol or Poppy Seeds.** Respondent shall not consume alcohol or
8 any food or other substance containing poppy seeds or alcohol.

9 10. **Biological Fluid Collection.** During all times that Respondent is physically
10 present in the State of Arizona and such other times as Board Staff may direct,
11 Respondent shall promptly comply with requests from Board Staff, the MAP group
12 therapist, or the MAP Director to submit to witnessed biological fluid collection. If
13 Respondent is directed to contact an automated telephone message system to determine
14 when to provide a specimen, Respondent shall do so within the hours specified by Board
15 Staff. For the purposes of this paragraph, in the case of an in-person request, "promptly
16 comply" means "immediately." In the case of a telephonic request, "promptly comply"
17 means that, except for good cause shown, Respondent shall appear and submit to
18 specimen collection not later than two hours after telephonic notice to appear is given.
19 The Board in its sole discretion shall determine good cause.

20 11. Respondent shall provide Board Staff in writing with one telephone number
21 that shall be used to contact Respondent on a 24 hour per day/seven day per week basis
22 to submit to biological fluid collection. For the purposes of this section, telephonic notice
23 shall be deemed given at the time a message to appear is left at the contact telephone
24 number provided by Respondent. Respondent authorizes any person or organization
25 conducting tests on the collected samples to provide testing results to the Board and the

1 MAP Director.

2 **12.** Respondent shall cooperate with collection site personnel regarding
